** Compatible with Verizon 4G XLTE networks where available. Standard 4G LTE supported.

[1] Weight represents approximate system weight measured with a 40WHr battery. Actual system weight may vary depending on component and manufacturing variability.

[2] Battery life varies by con guration, applications in use, utilized features and operating conditions. Maximum battery capacity decreases with time and use. Motion battery life estimates based on MobileMark® 2012 performance testing.

[3] Approximate charging time. Validated charging from 5% to 90% with system on or system off.

CID2 CERTIFIED CLASS I ; DIV. 2

intel inside™ CORE™ i7 vPro™

The Intel® Core™ vPro™ processor is designed to strengthen security across the enterprise.
